1. I want to say I love you and thank you for persisting that I am My New Covenant and My New Covenant is life and more than life, and more than relationship as some have known it and delimited it; so much more—all wisdom, knowledge, and understanding.

2. Oh Ted, happy am I as you persist in your pursuit of passionately knowing Me in passion, with passion, with emotion—in intimacy. Oh dance with Me more and come like you came last when you danced with Me. Oh dance with Me and let Me glorify what I am doing in My body today—with you.

3. Glory-ables, glori-ables, gloriables Ted—there are so many things that I can bring glory to and in and through that have been ostracized from Me, and Me from them.

4. Oh Ted, I enjoy My life, life eternal—even now—in joyful dance, and drink the wine of goodness—righteousness, as I eat and feast on the fruit of My spirit. Oh Ted, ostracize Me not from any activity but to My glory all—so My glory can come and reside and abide and be manifest in gloriousness yet to be experienced—in the laboratory, in the mansions of palatial grandeur governing governments—oh so pervasive will I be—as I am.

5. Oh New Covenant is your name for it is My name and I write My name on all My who love Me—who drink-offering themselves at My feet—and in meekness become so powerful, oh so powerful, oh so very powerful.

6. Fuel—My righteousness—coming through common acts in common places by common people pervading My planet, for Me, in Me, by Me, through Me, exercising leadership to birth and breed leadership this world has yet to see. Watch Me, watch Me, watch Me.

7. Oh gloriousness as My glory comes through My gloriable moments of sadness and joy, to portray Me in tangible reality. Oh gloriousness of glory as My gloriables are increased to encompass every research endeavor—for those who bear My name, unashamedly—arising to arise My role in My body—having realized I am who I say I am, I do what I say I will do, and reaching into Me for knowledge, wisdom, and understanding is the way of all intelligence—intelligence true.

8. I love you—I've given you healing—I manifest through you today on meekness of Me, through your meekness—watch Me, watch Me, watch Me.

9. I love you—discrete not—but discretioned at My knee and acting upon My voice, belligerent never, meekly drink-offering before Me and in Me continuously, till you stand with Me, in Me, before Me—I love you.

10. That day comes and we will laugh together like you have yet to imagine, or comprehend, as we revel in meekness displayed, accomplished, Me—one—you—one—one.

11. My people, My body flourishes through your meekness and obedience—meekness and obedience My people to flow in My gifts of righteousness and peace and experience delicacies at my table—of My choosing—to strengthen and arise and provide manifest Me-ly.

12. I love you, arise.

I love her. I love you—I love you both so.

13. Ann [W], a helper of helpers—arise and enjoy and bless mightily—endorsing, encouraging, blessing.

18. I love you—Father [Jim] Thomson—of Me—see—you've seen, you've heard, you've felt, and more will you see, feel, and experience.

19. I love you. Getting the message you are—accelerate in Me—daily—come more, more, more and write, speak, type, proclaim all I give you. I love you.

20. Many come—from the four winds increasingly—of Me—she comes—[K] of Me and only Me Ted, for you but only for Me, she comes and participates and strengthens and crafts and advances and revels in Me and what I do in and through her—here—and increasingly everywhere—of Me. Submitted, drink-offeringed, powerful, powerful, smiling, more, so much more and more powerful she makes all. Oh only the beginning of My using her in My big kingdom—with Me—watch Me, watch Me. Oh gloriable she is in every walk of her life—watch her—she is Mine, all Mine, all Mine. Ted, all Mine—be cheerful and chide not even in understanding not. She is of Me and powerful power increases—healing—in her—for her—through her, to governments and nations mightily. I love you, I love her—friends—forever.

21. I thank you. I love you. I appreciate you sitting and writing and waiting on Me—and sharing what I've given in notes soon, soon, real soon—PowerPoint projectors—technology infused presentations so they can't miss Me—unless they want to.
